

GROWING DEEP and STRONG® ENCOUNTER ONE WEEKEND

*Experience the healing power of God
in a safe and confidential environment*

If you feel that there are blockages preventing you from growing into all that God has for you—the chances are that it could be demonic hindrances.

*“I went into the weekend a little cautious and nervous, but now I am very
grateful that I went along. I have no idea that I needed deliverance,
but God did, and He touched me at the Encounter Weekend in a
very personal and powerful way.” **Andrea A***

*“Encounter Weekend... was dynamic... incredible... people were
blown away... what God had done... God was touching people through
people... being set free.... people came up and said... I feel great...
I feel so light...” **Tammy B***
